

Anchors Aweigh Club Security Camera Policy

1. A camera is to be placed above the counter to record the register and anyone stepping behind the counter. This camera is to run 7 days a week. 24 hours a day. 365 days of the year. Unless deemed otherwise by the AACI board.
2. A second camera is to be placed outside the front of the building to record the porch and front doors.
3. A third camera is to be placed in the Garden facing the widest possible angle including the gate. The camera will be turned off 20 minutes before and after every meeting.
4. The purpose of the cameras is to ensure safety and security of the club facility and it's members. The video's recorded or only to be used for these stated purposes.
